**RE: IHSA BOYS BASKETBALL STATE TOURNEMENT BID**

**DATE:** November 7, 2019

As you know, we previously had informed you briefly that Visit Champaign County was leading the effort to raise funding commitments supporting the next bid opportunity to bring the IHSA Boys Basketball State Tournament back to Champaign at the State Farm Center for the 2021-2023 years. The Legends Play Here campaign has kicked off and the Village is being asked to financially support the effort by committing to an annual funding amount that ranges from $5,000 to $10,000 to $20,000 per year over the three year period.(See Attachment) In other words, a three year commitment of $15,000 to $60,000.

Five years ago when the last bid was put together the Village participated and I believe the Village commitment was for $5,000 per year for the five year period or a total of $25,000.

I believe you are aware of the potential economic benefit to the Champaign-Urbana-Savoy Metro Area of an event such as this. The Village has the funds to participate at whatever level you prefer. President Dykstra and I have discussed this opportunity and fully support the effort to bring this outstanding event back to the most appropriate location in the state.

Trustees Niccum and Shonkwiler sit on a couple of planning committees and can probably answer questions you may have.

We will discuss this at the November 13th Work Session, with a final commitment approval at the November 20th regular BOT meeting.

If you have any questions, let me know.
