**RE: APPROVAL TO AUTHRORIZE THE APPARENT LOW BIDDER TO CONSTRUCT THE PROPOSED COLBERT PARK PATHWAY**

**DATE: October 10, 2019**

At the direction of the Board of Trustees, staff has worked with Clark Dietz, Inc. to complete the design of the Colbert Park Pathway. The project will include replacing the existing rock path around the lake at Colbert Park with a 10' wide concrete pathway.

In addition, Village Staff will also be making drainage improvements along the path, including a large berm that will be located immediately West of the lake.

The bid document for this project is very aggressive, with the expectation that the path will be completed prior to winter.

Bids will be opened on Wednesday, October 16<sup>th</sup>, 2019. Staff will present the bid results to the Board at the Board of Trustees meeting on the same date.

**Staff recommendation is to award the apparent low bidder authorization to construct the Colbert Park Pathway.**

If you have any questions regarding this project, please feel free to contact me.
