

Goal of Accessibility for All

The Village of Savoy desires to provide a positive experience to all citizens, and we aim to promote accessibility and inclusion. Our goal is to permit citizens to successfully gather information and utilize online services through our website and other technology platforms.

Although we are proud of the efforts that we have completed and that are in-progress, we at the Village of Savoy view accessibility as an ongoing effort. We are actively taking a variety of steps and devoting resources to further enhance the accessibility of our website and other technology. If you have difficulty using or accessing any element of this website or on any of our online services, please feel free to contact us at info@savoy.govoffice.com and describe the issue.
