Savoy Village President Announces Monthly Constituent Open Office Hours

Starting in January, Savoy Village President Joan Dykstra announces Constituent Open Office Hours before the first regularly scheduled Board of Trustees meeting of every month. Joan will be available in the Savoy Board Room of the Savoy Municipal Center, 611 N. Dunlap, for constituents with any questions, concerns, or ideas.

“It is important that Savoy residents have as many opportunities as possible to meet informally with village leaders about issues they may have. We will be posting reminders on Savoy’s webpage and try to get the word out through social and other media,” Dykstra said.

In addition, one village trustee will alternate monthly with Dykstra. **Times for open office hours will be from 5:45-6:45 pm the first Wednesday every month.**

This, of course, does not preclude anyone from scheduling a meeting with Dykstra or other staff.

“I meet with citizens throughout the week but this specific timeframe gives people a chance to walk-in to chat”, Dykstra said.
